

Form according to Article 4 of the Commission Implementing Regulation (EU)
No 2018/1795 laying down procedure and criteria for the application of the economic
equilibrium test

Notification of a planned new rail passenger service

Remarks:

- I. Information regarding the operation of the planned new rail passenger service has to refer **at least to the first three years**, if possible **to the first five years of operation**.
- II. The notification of the planned new rail passenger service will — except for commercially sensitive information — immediately **be published on the website www.schienencontrol.gv.at**. If applicants do not want commercially sensitive information to be published, they have to justify this within the notification. Information according to this standard notification form shall not be considered commercially sensitive.
- III. The form including additional documents has to be transmitted to office@schienencontrol.gv.at.

1. Applicant:
